

BANNDA SUPERSPECIALITY HOSPITAL

COMPASSION | CARE | COMMITMENT

WE PROVIDE CARE THAT YOU DESERVE

EMERGENCY 24X7

ABOUT US

The story behind this new Bannda Superspeciality Hospital starts with a growing need for medical services in the local community. Over time, the existing hospitals, Nursing homes and medical facilities in the area were not meet the standard parameters for patients care and were struggling to meet the demand for quality healthcare. Patients were facing long wait times, limited access to specialized treatments, and a shortage of beds.

Recognizing this need, a group of SGMT (Shri Ganpati Medicare Trust) and our community leaders Mr. Sanjay Singh (Chairman) came together to develop a plan for a new hospital that would address these issues and improves healthcare outcomes for the community.

After extensive planning and lot of efforts, the group secured a suitable location for the new hospital. The construction process began, and after three years of hard work, the new hospital was completed and ready to open its doors.

The hospital is equipped with state-of-the-art facilities and the latest medical technology, and staffed by highly skilled medical professionals who are dedicated to providing the best possible care for their patients. The hospital offers a wide range of medical services, including emergency care, surgery, all specialized treatment with 100 bed capacity and more, all in one location.

Today, the new hospital is a source of pride for the community, and it continues to serve the medical needs of local residents with Compassion, Care, and a Commitment to excellence in healthcare.

VISION

Be the most respected hospital and preferred healthcare partner of the population we serve in Banda and nearby areas, with continuous improvement in quality standards and technology. Become a beacon of hope and health for our community, including rural health development, so they can access best possible care instantly, instead of traveling long distances to other cities.

MISSION

Our mission is to provide high quality, accessible healthcare services to the residents of Banda and surrounding areas. We are dedicated to improving the health and well-being of community by delivering patient-centered care, culture of compassion and respect and continuously striving for excellence in healthcare delivery. We aim to be a trusted healthcare partner, offering a range of services to meet the evolving needs of the diverse population we serve and focus on awareness of the community regarding preventive care.

CORE VALUES

Core Values of Bannda Superspeciality Hospital, which guides our decision making and actions are a) Compassion – every patient and their family is treated with empathy and understanding and be evident in the way staff communicate, listen and respond the patient needs and concern b) Care – provide high quality, attentive and personalized healthcare services and c) Commitment - to medical excellence and continuous improvement of technology, systems and processes which prioritizes patient well-being, safety, and overall health.

OUR STORY

I am delighted to announce the opening of our new hospital. As the Chairman of this state-of-the-art healthcare organization, I am proud to introduce you to our exceptional team of healthcare professionals, advanced facilities, and commitment to providing the highest level of care to our patients.

At our hospital, we believe that every patient deserves the best possible care, and we have spared no effort to create a facility that reflects this commitment. Our modern, patient-centered design and the latest medical technologies ensure that our patients receive the most advanced and effective treatments available.

Our hospital offers a comprehensive range of medical services, from primary care and emergency services to specialized care for complex medical conditions. Our team of skilled physicians, nurses, and support staff is dedicated to providing compassionate, personalized care to every patient. We prioritize patient comfort and wellbeing, and we strive to make each patient's experience as positive and stress-free as possible.

We are committed to providing our patients and their families with the information they need to make informed decisions about their care, and our patient support team is available to answer any questions you may have.

We are honored to serve our community and look forward to providing the highest level of care to our patients.

Here's wishing your health and care on behalf of the SGMT Trust! (Shri Ganpati Medicare Trust)
